25X1 [redacted] Comments.

- 25X1 (1) Same source previously reported that Lieutenant Colonel Chich (fnu) was the commanding officer of Unit [redacted] rather than [redacted], as stated in the present report. Chich's successor, Colonel Verbs (fnu) can now be carried as the commanding officer of the 74th Tank SP Regt of the 94th Gds Mtz Rifle Div. Major (Tech) Afonin (fnu) was reported by the same source, in mid-January 1951, to belong to the Kech office in Schwerin.
- (2) Colonel Gartsulin (fnu) was previously identified as the commanding officer of the 1054th How Arty Regt of the 18th Mecz Div in Ludwigslust.
- (3) Same source previously identified Colonel Ovchinnikov (fnu) as the commanding officer of a unit, probably an AAA unit, in Perleberg. The Hq 18th Mecz Div, [redacted], which was believed to have moved to the Wittstock troop training grounds at the end of April 1951, along with the division, is confirmed there by the present report.
- (4) There is a possibility that the 60th Mecz Regt of the 18th Mecz Div from Parchim participated in a field exercise conducted by the 94th Gds Mtz Rifle Div in the Gadebusch area. No confirmatory information has been obtained, however.
